

## NRW LANDESBUERO TANZ

**is an information centre, networking point and contact for the professional dance scene in North Rhine-Westphalia.**

**supports the work of dance professionals in North Rhine-Westphalia** by offering networking and qualification formats and by providing the dance scene with advice from peers.

**initiates projects, cooperations and discourses** in the field of professional contemporary dance and cultural education.

**fosters the exchange** between diversity-sensitive dance mediation and artistic dance practice.

**increases the public visibility of dance,** by presenting the activities of dance professionals.

**engages in dialogue** with cultural politics, regional funding institutions, national dance organisations and international networks.
